BoBelle Theia eel skin clutch

£84

You've got to love a spot of feel-good fashion.

BoBelle, one of our Inspire & Mentor scheme success stories, is a boutique brand specialising in eel skin products - a by-product of the Asian food industry, which is both stronger and softer than traditional leather.

This sweet Theia clutch is perfect for party season - roomy enough to house all those evening essentials, but still compact enough to sit snugly under your arm.

It's also available in a range of different hues - so you should be able to find one to match your carefully-selected frock!
